## Educational Quality Assurance at The University of the West Indies

Modern times has seen an increase in education providers and widened education delivery platforms. This has revolutionised student options and raised their expectations. High-quality education is an obvious expectation of any student; but how do education providers verify that they offer a high-quality education product. In other words 'How do you know what you say you know?'

Sandra Richards will provide a general overview of quality assurance in education and indicate what it means for all stakeholders.

### **Date & Time:**

Saturday 16<sup>th</sup> March 2019, 2pm - 5pm

### **Venue:**

Chestnuts Community Centre,  
280 St Anns Road, N15 5BN

### **Expected Audience:**

general public, those involved in education and learning, community and voluntary sector workers, parents and community leaders.

### **Entrance Fee:**

free of charge

### **More Info:**

# Quality Assurance, Postgraduate Supervision and Alternative Frames of Reference; building on gendered and cultural observations from the Caribbean experience

The University of the West Indies degree is recognised worldwide as a result of internal and external quality assurance measures that are second to none. Its current 2017-2022 Strategic Plan has three primary pillars: Access, Alignment, and Agility as guiding principles. These principles are central in supporting its commitment to valuing current and potential stakeholders as well as its most esteemed alumni. The global reach of this regional institution is underpinned by its commitment to maintaining a robust, relevant and responsive quality assurance system.

How do we achieve this? You are invited to a presentation on postgraduate quality assurance paradigms through the lens of a regional institution of higher education. Many of the key paradigm principles translate into primary & secondary schooling.

## **Date & Time:**

Wednesday 20<sup>th</sup> March 2019, 10am - 1pm

## **Venue:**

Laurels Healthy Living Centre,  
256 St Anns Road, N15 5AZ

## **Expected Audience:**

Quality assurance professionals,  
those involved in education and learning,  
community and voluntary sector workers,  
parents and community leaders.

## **Seminar Fee:**

£39.95, for QA and education professionals in CPD.  
Concessions for students, community  
and voluntary sector.

[LIMITED PLACES, lunch provided, book early]
