The unifiedknowledge Approach to Education

~ The Basic Bullet Point Summary ~

The most concise way to summarise the unifiedknowledge approach to education is to view the key elements through three sections:

- 1 - Culture
- 2 - Objectives
- 3 - Principles, Processes & Protocols of Practice

1. Culture

The cultural basis of yeht'mr urwuk'eht (unifiedknowledge) is:

- 1) Pan-African አልኪብላን
- 2) Kemetic (classical references) ነምት

2. Objectives

The main objectives of yeht'mr urwuk'eht (unifiedknowledge) are the development of:

- 1) Peace (love - fk'r ፍቅር, well-being)
- 2) The Mind's Core
 - Consciousness
 - Will
 - Communications
 - Creativity

3) Principled Living (ማኔት)

- 4) Productive Capacity
- 5) Healthful Space
- 6) Humanity Overstood

3. Principles, Processes & Protocols of Practice

The principles, processes and protocols of the yeht'mr urwuk'eht (unifiedknowledge) practice are:

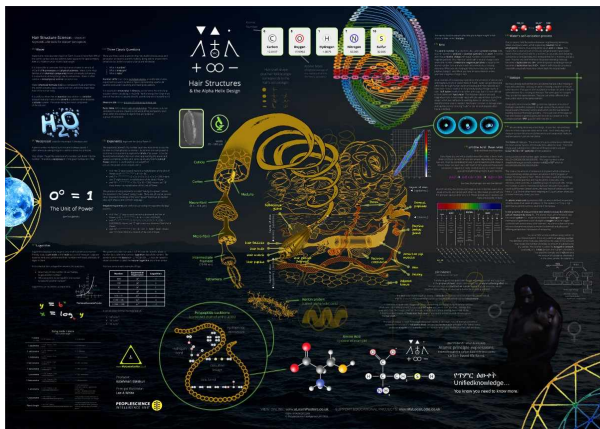

- 1) Hashima ለሸማ respectful ways with a sense of truth, justice, order and right - maat at the nucleus.
- 2) Maat ማኔት: Universal Orders, Natural Orders & Human Social Orders (ethics)
- 3) Maat ማኔት: Hisab (Mathematics)
- 4) Tehwagi Asab የተዋጊ አሳብ (The Warrior Idea) for contemplation and points of agreement.
- 5) Gzat ግዛት (Province) province is space; [land, air & mind] in [personal, family, community, national, earth (planet) & universal domains]
- 6) Harmony with Nature
- 7) Mind, Body & Breath Harmonies *consciously applied forms such as dance, sports, yoga, martial arts etc.*
- 8) The unifiedknowledge Language ቋንቋ
- 9) Curriculum, Graduations & Accreditation
- 10) The Story

NEW COURSE :

Hair Structures Science - Foundation One

Learn biological structures in our hair from the root to the elemental atomic level. In an interactive way, we make the jargon simple and share the natural root principles required for deep learning and overstanding.

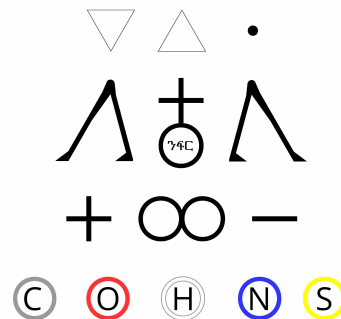

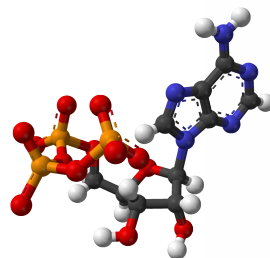

This course is for interested adults, industry professionals, science students, and maturing young people.

classes are at:

Chestnuts Community Centre
280 St Ann's Road, London N15 5BN

- Mondays
- 6pm to 8pm
- 12 wks term
- +eLearning

NEW SUPPLEMENTARY LEARNING :

Level Being 9 uLearn Naturally GCSE Maths: Preparations for Mastery

This ground breaking after-school provision will help children (both primary and secondary aged) go far beyond Level 9 GCSE mathematical consciousness and competence.

Children and parents will be introduced to Unifiedknowledge approaches to learning, we integrate the learning of maths with creative arts and the sciences so that learning becomes humanely sensible and meaningful to the learner.

Additional private tuition and learning support options are also available.

The “Preparations for Mastery” programme is developed from a full time tuition service where child (8y+) can learn and pass the GCSE Maths consciousness and competence in just 2 years full time tuition. Contact us for full enrolment details:

A NEW LEARNERS' CO-OP :

The **Beauty & Hair Science Learners' Co-operative** is being launched after a very successful science seminar held in Sept 2017.

There will be an **inauguration meeting**, we will review and adopt the proposed constitution, define our initial objectives and appoint the Executive Members. **This meeting will take place on the 14th Oct 2017 from 3pm to 4pm at Chestnuts Community Centre.**

Supporting the formation of new "Member Trust" Learners' Co-ops is the primary mission of **Abundance Centres (UK) - uLearn Naturally Learners' Co-op.**

Testimonials from the Black Beauty and Hair Science Seminar (held @ Black Open University - Sept 9th 2017)

Podcast: <http://broadcast.ulearnnaturally.org/podspace/?p=370>

During the recent **Black Open University** seminar on Black Beauty and Hair Science **Astehmari Batekun** facilitated learning about the biological structures in our hair from the root to the elemental atomic level. This was done in an interactive way, making the jargon simple and sharing the natural root principles required for deep learning and overstanding.
